

Automatic rotary type hot melt adhesive machine

Internal Product ID: ENFT-FMM-036

Unit of Measurement	Piece
Brand	ENFT
Place of Origin	China
Certification	Manufactured Under Strict Quality Control
Min. Order Qty	1
Supply Ability	100 Sets/Month
Delivery Time	45 Days After Receipt of Advance Payment

Overview

Automatic rotary hot melt adhesive machine with a production capacity of 15 PCS/min.

Description

Production capacity: 15PCS/min
Filter height: <=250mm
Hot melt machine capacity: 10KGS
Heating power: 6KW
Air pressure: 0.6Mpa
Power supply: 380V/50HZ
Equipment weight: 500KGS
Dimensions: 1400*1100*1600mm
