

Bypass valve assembly machine(riveting machine)

Internal Product ID: ENFT-FMM-053

Unit of Measurement	Set
Brand	ENFT
Place of Origin	China
Certification	Manufactured Under Strict Quality Control
Min. Order Qty	1
Supply Ability	100 Sets/Month
Delivery Time	45 Days After Receipt of Advance Payment

Overview

Bypass valve assembly and riveting machine with a capacity of 30 PCS/min.

Description

- 1. Production capacity: 30PCS / min
- 2. Motor power: 0.3KW
- 3. Supply voltage: 380V/50HZ
- 4. Air pressure: 0.6Mpa
- 5. M/C weight: 480kg
- 6. M/C size: 1500×900× 1500mm(L×W×H)
