

TYPE	SPEC SHEET
DATE	2026-09-12

Air tightness test of filter

Internal Product ID: ENFT-FMM-066

Unit of Measurement	Piece
Brand	ENFT
Place of Origin	China
Certification	Manufactured Under Strict Quality Control
Min. Order Qty	2
Supply Ability	100 Sets/Month
Delivery Time	45 Days After Receipt of Advance Payment

Overview

High-efficiency testing equipment for filter air tightness detection.

Description

Technical Parameters:

- Speed: 8 pieces/min
- Machine size: 1450mm*625mm*1530mm
- Voltage: 380V
- Total power: 0.55KW
- Air pressure: >=0.6MPa

Physical Parameters:

- Weight: 400 kg
- Volume: 4 CBM
