

TYPE	SPEC SHEET
DATE	2026-09-11

SHRINK FILM SEALING MACHINE

Internal Product ID: ENFT-FMM-076

Unit of Measurement	Set
Brand	ENFT
Place of Origin	China
Certification	Manufactured Under Strict Quality Control
Min. Order Qty	1
Supply Ability	100 Sets/Month
Packaging	Volume: 4 CBM, Weight: 500 kg
Delivery Time	45 Days After Receipt of Advance Payment

Overview

High-efficiency sealing and packaging machine for POF and PE shrink films.

Description

- Technical Parameters:
- Power: 220V/50-60HZ
 - Air source: 6.0-8.0kg/cm
 - Power: 1.6KW
 - Packing speed: 15-30bags/min
 - Maximum packing dimension L+H: <=400mm
 - Maximum packing dimension W+H: <=300mm
 - Sealing tool size LI: 570*470mm
 - Machine weight: 300kg
 - Applicable shrink film: POF, PE
 - Machine packaging volume: 1800*1000*1670=3m³
 - Width calculation formula = product width Wmm - high Hmm + 150mm
 - Machine size: 1700*830*1450mm
